- and so much more

## About our college

The pre-law advising is housed in the College of Liberal Arts and Sciences, the intellectual heart of the university. We foster educational excellence, intellectual inquiry, insightful discovery and unmatched access.

Our college has 89 undergraduate majors and 130+ graduate degrees housed in 22 interdisciplinary schools and departments spanning the humanities, natural sciences and social sciences. We encourage our students and faculty to think beyond traditional academic boundaries and pioneer solutions to society's most pressing issues.

No matter which of ASU's 300 majors you're pursuing, our pre-law advisors will help you prepare for admission to law school.

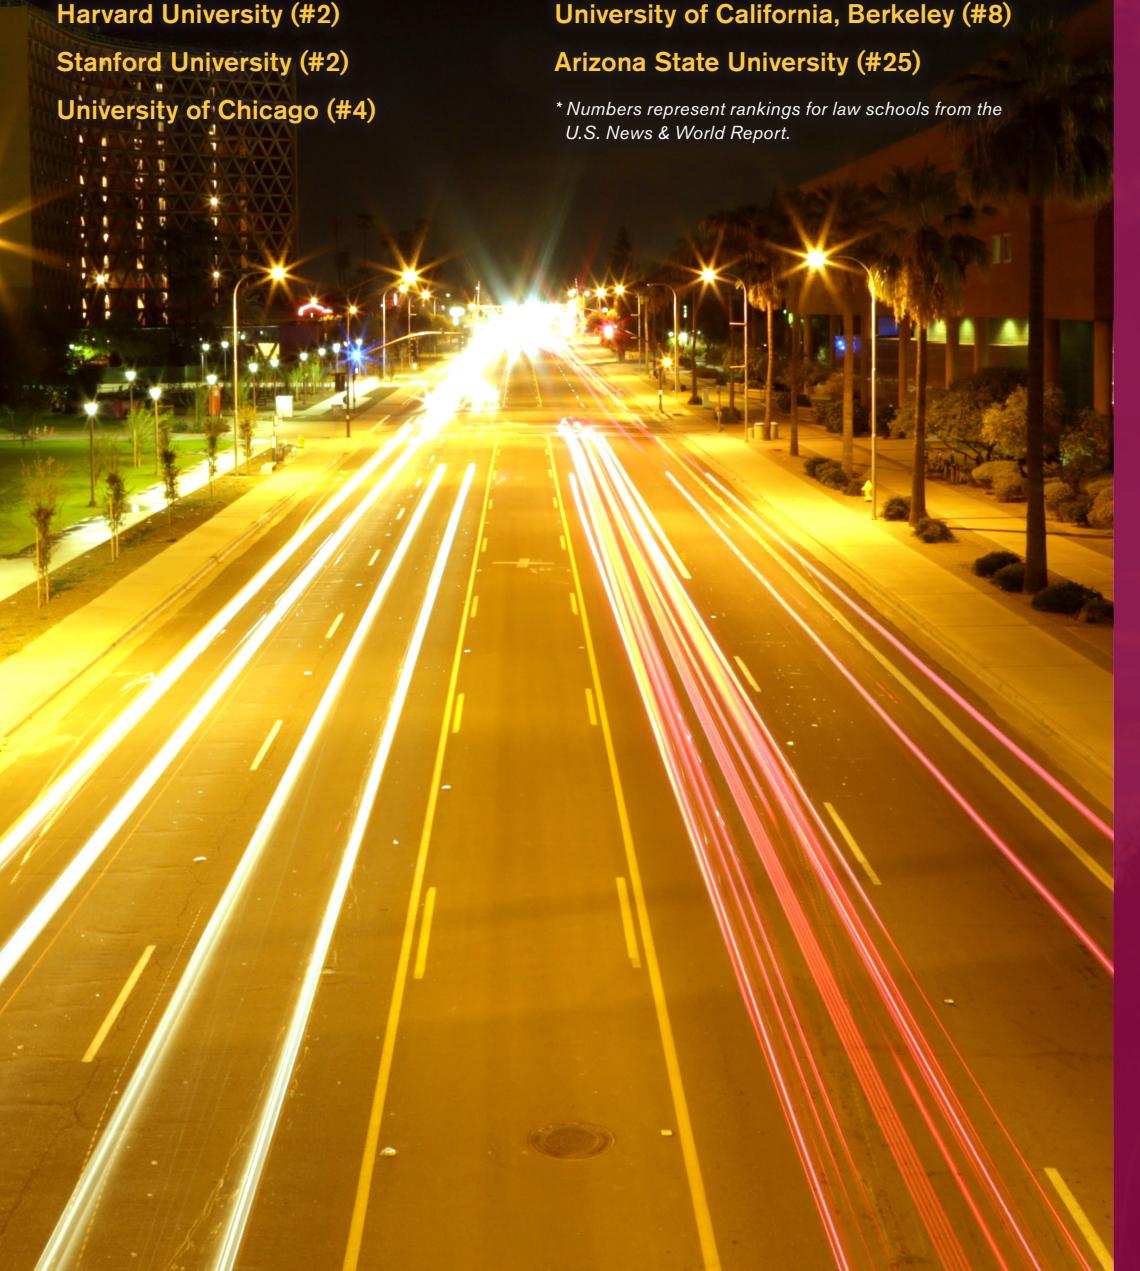

## Where do our pre-law students go?

Many of our pre-law students head to some of the top-ranked law schools in the country, including:

**Yale University (#1)**  
**Harvard University (#2)**  
**Stanford University (#2)**  
**University of Chicago (#4)**

**New York University (#6)**  
**University of California, Berkeley (#8)**  
**Arizona State University (#25)**

\* Numbers represent rankings for law schools from the U.S. News & World Report.

accepted annually

## Expand your possibilities with pre-law advising

If you want to pursue law school after graduation, the College of Liberal Arts and Sciences at Arizona State University has the pre-law advising and resources for you. We'll help you learn the fundamental skills for a successful legal career and conquer the competitive admission process.

From extraordinary mentoring and advising to intellectually challenging coursework and extracurricular activities, you'll learn to thrive in our dynamic community of scholars as you prepare for a fulfilling career in law.

Law schools accept students from all majors and backgrounds, which allows you to choose an academic field in line with your passions. Our pre-law advising and resources will complement your area of study, no matter your major, and help you on your path to law school and a future career in law.

Translate your dreams into action. Major in philosophy and develop analytical thinking skills or major in political science and expose yourself to the intricate judicial system.

Become a lawyer; we're here to help.

A close-up photograph of a globe showing the Americas. The globe is set against a dark background with a network of glowing yellow dots of varying sizes, suggesting a global network or data points. The globe is tilted, with the Western Hemisphere more prominent. The continents are colored in blue, green, and yellow.
